

## FYFEWEB LOOKING GLASS – TERMS OF USE

The FyfeWeb IP Network Looking Glass provides network routing information on our core network and infrastructure. Please note that this service is not appropriate for measuring Service Level Agreements (SLA). The Looking Glass should only be used to verify routing information.

By using the looking glass, located at <https://as212396.net/>, you agree and acknowledge that you shall be bound by the following terms. These include without limitation:

- (1) By using the Looking Glass, you agree to the Acceptable Use Policy, Website Terms of Service as well as any other agreement, policy or obligation located on our website, including the documentation located within our Legal, Privacy & Trust (<https://fyfeweb.com/legal>)
- (2) FyfeWeb reserves the right to log the use of the Looking Glass for quality purposes;
- (3) Users of the FyfeWeb Looking Glass acknowledge that there are inherent traffic patterns to internet usage and as such, results may differ from test to test;
- (4) Users are prohibited from automating queries in any fashion. Scripts that are automated in any way are not permitted.
